

Kindergarten: March 2005

Sunday	Monday	Tuesday	Wednesday	Thursday	Friday	Saturday	March Madness:
MATH			Show 'n Tell			SCIENCE	<p><i>Even though it's a short month with our Semana Santa holiday, there is much to look forward to. Our 100 Days of School Celebration should be great. We will also begin writing stories. With not much of the alphabet left to learn, we can write almost anything without the teacher's help. Look for our "Book of the Month" and we hope you enjoy reading it at home. This month we will also finished working on numbers and move on to measurement. This is always a fun time to see how long or how tall the world around us is. We hope you have a relaxing Semana Santa!</i></p>
